Located in the grassy area behind the main building.

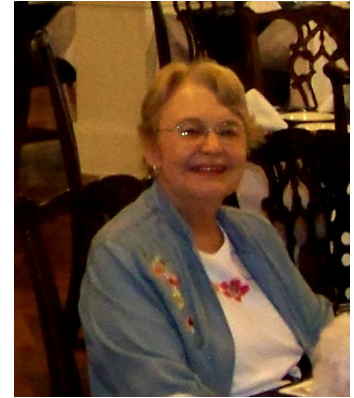

RSVP to Sarah at ext. 183

Meet Mary Herpel

Mary Herpel was born in Detroit, MI. She lived in Detroit until age 7, then moved with her family to Paducah, KY. Mary attended Loan Oak High School in Paducah. She is a graduate of Murray State University. After graduation, Mary worked as a teacher and school librarian for twenty-five years. She was a school librarian for twelve years in Metropolis, IL, which is across the river from Paducah. Mary was also a church organist for many years. She is the proud

mother of one daughter from Lexington, KY and one son from Minneapolis. Mary has two granddaughters and two step-grandsons. Liberty Ridge was a great fit for Mary because it was closer to her family. One of the great features Mary enjoys is the great lunch provided everyday. She also enjoys living in her home because all of her neighbors are friendly and nice. In her spare time, Mary loves playing the piano and reading. Welcome Mary!!!

Calling All Bakers!!!!!!

As many of you may already know. Each year at the Luau we host a cake walk, with proceeds going to the Liberty Ridge Foundation. To make the cake walk successful we must have cakes...this is where staff and

residents come in. Although it's called a "cake walk" any baked good will do, homemade or store bought. So Please, Please, Please help if you can!!!
